## SUMMER IN CHAMONIX

Chamonix in summer is undeniably, mind-blowingly, dramatically, stunning. Bordering France, Italy and Switzerland, Chamonix is truly unique - located deep in the valley, surrounded by some of Europe's most spectacular peaks and some of the most impressive alpine roads - perfect for cycling. Prepare to fall in love! Ask anyone who lives here, Chamonix in summer is truly magic - the world's best adventure sports playground.

We don't need to sell it. If you get it, you'll really get it. You'll be back year after year. And if you don't, well, there's some pretty good shopping in town ... As well as a truly cosmopolitan, busy vibe, some fantastic bars, the best range of top quality International and fusion food in the Alps. And only an hour's drive from Geneva.

At Adventure Base, Chamonix is our home, and we love it. If you have a question, just ask! If we haven't done it, tried it, or know the answer, we know someone who does.
